Summer Camp 2011

EMBRACE THE
SPOTLIGHT!

The Edge Theatre Performance Academy is one of Colorado's premier performing arts academies, offering acting and improv classes to youth, teens, and adults. Our program is sponsored by the Edge Theatre at the E Project. Its purpose is to provide high quality performing arts education opportunities for Lakewood and the surrounding area. We offer classes to all age groups ranging from 4 years old to adults. The curriculum has been designed and written locally by Nessa Young and Dave Lange, members of The Edge Theatre's resident improv troupe, Out of the Basement.

OUR EXPERTISE

OUR FANTASTIC TEAM OF ACTING COACHES HAVE ONE AIM -- TO HELP BRING OUT THE BEST IN YOU OR YOUR CHILD!

That's why you'll find Performance Academy staff extremely friendly and welcoming with a real interest in you or your child and your views on your or their progress. It all makes for a great atmosphere of support and encouragement for you or your child to have fun and grow at individual paces - with plenty of personal attention.

All our workshop leaders undergo a rigorous selection, training, and evaluation process, so you can relax knowing that your child is in the best of hands.

LITTLE WHOS CAMP (AGES 4-7)

Description: This year's summer camp theme is "Suessical the Musical." The Little Whos Camp will introduce young children (ages 4-7) to an understanding of theater basics and will give students a sense of confidence on stage. We use a mix of energetic games, dramatic play, and lots of props and costumes to help bring out your child's true potential. Your children will not only gain theater skills, but they will gain confidence, they will improve their ability to focus, and they will find a creative outlet in which to make new friends and to have a lot of fun. We use age-appropriate activities to help your children gain skills in stage presence, theater voice, character development, and using props and costumes. Your child will have the opportunity to use all of these skills by performing in our summer camp showcase at the end of their session.

YOUTH CAMP (AGES 8-11)

Description: The theme for youth camp this year is "Suessical the Musical". Give your older children (ages 8-11) an opportunity to see their self esteem grow as they learn the basics of acting in an environment designed for older children. Blending theater games with age-appropriate lessons, our teachers will give your children a creative outlet which will help boost your children's confidence, improve their concentration, and allow them to make friends in a fun environment. Our summer camp provides students with the basic skills they will need to be successful on stage. Children will have the opportunity to use all of these skills by performing in our summer camp showcase at the end of their session.

TEEN IMPROV CAMP (12-18)

Description: Students will learn the basic skills necessary for successful improvisation, including character development and storytelling. Because the heart of improv is good acting, a heavy emphasis will be placed on skills to develop solid acting. They will also learn important elements of improv performance, including working within the constraints of a game and understanding basic performance strategies. Students will use their new skills in our summer camp showcase at the end of their session.
